

Corrosion Resistance Outdoor Stadium Light 600Watt Led Arena Light For Golf Course

Our Product Introduction

for more products please visit us on ushineraylight.com

Basic Information

- Place of Origin: Guangdong, China
- Brand Name: UShineray
- Certification: RoHS, CQC, CCC, CE, FCC, LVD, VDE
- Model Number: YXR-QC-600W-B
- Minimum Order Quantity: 1pcs
- Payment Terms: T/T, Paypal, Western Union

Product Specification

- Color Temperature(CCT): 2700-6500K
- Beam Angle(°): 10°/25°/45°/60
- Warranty(Year): 5-Year
- Working Lifetime(Hour): 50000
- Color Rendering Index(Ra): 80
- Support Dimmer: Yes
- Lighting Solutions Service: Lighting And Circuitry Design, DIALux Evo Layout, LitePro DLX Layout, Auto CAD Layout, Agi32 Layout
- Keyword: LED Floodlight Waterproof IP66 Outdoor
- Power: 300W~1200W
- Material: PC + Aluminum Housing
- Highlight: 600watt led arena light, outdoor stadium light 600watt, corrosion resistance outdoor stadium light

Product Description

Corrosion Resistance 600W Outdoor LED Stadium Light for Golf Course

Designed for golf courses, our 600W LED stadium light features advanced corrosion resistance. This ensures long-lasting performance and reliability in various weather conditions, providing bright and even lighting to enhance visibility across expansive golf course areas.

Product Features

Efficient Lighting Performance: Achieves a light efficiency of $\geq 160\text{lm/W}$ with uniform illumination. The PC reflective lens offers high light transmittance and resists long-term yellowing.

Glare Control: Features a professional-grade anti-overflow cover that minimizes light spill and glare, providing a comfortable viewing experience.

Robust Driver Technology: Uses a constant current and voltage driver that ensures flicker-free operation and provides protection against over-current, overload, and over-voltage. Suitable for AC100V~277V with a power factor >0.98 .

Optimal Heat Dissipation: Constructed from pure aluminum for excellent heat transfer and resistance to corrosion. Rated IP66 for protection in severe outdoor conditions.

Adjustable Mounting Options: Includes various thickened base brackets for secure installation, with 180° adjustability both horizontally and vertically.

Flexible Dimming Features: Supports intelligent dimming with options including 0~10V, DMX, and DALI for customized light control.

Product Parameters

Model	YXR-QC-600W-B
Power	600W
Lumens(lm)	96000
Other Power Options	300W/500W/1000W/1200W
Weight(kg)	17.2
Sizes(mm)	460*490*330
Efficacy	160lm/W
CCT	2700-6500K
CRI	$\geq 80\text{Ra}$
LED Chips	San'an 5050/Lumileds 5050
PF	>0.95
Input Voltage	AC100-277V(Moso)
Beam Angle	$10^\circ/25^\circ/45^\circ/60^\circ$
Work Temp	$-35\sim 55^\circ\text{C}$
Humidity	15%~90% RH, no condensing
Finish	Sprayed with outdoor special powder
Life Span	$\geq 50,000$ Hrs (LM70 @ 35°C)
IP Grade	IP66

IK Grade	IK08
Body material	PC lens + Aluminum housing
Power Wire	Rubber cable(3*1mm²) L=0.3m
Electronic safety grade	Class I

Product Details

Front side

High brightness Lumileds

SMD5050, light efficacy 150lm/W±5%
junction temperature <70°C

With brim to prevent glare

As well as reduce light pollution and waste

**Circular lamp body with
calculus optical lenses**

More accurate projection azimuth
and farther irradiation distance

Back side

**Hollow design of convection
heat dissipation**

Stable working performance, longer
life span.

The bracket is equipped
with a dial

180° adjustable

Brand Driver AC100
-277V

Good stability, high efficiency,
flicker free, anti-surge.

FAQ

Q1. Are you a manufacturer?

Yes, we have our factory with over 10 years of R&D and manufacturing experience based on ISO quality management since 2011.

Q2. Do you have any MOQ limit for LED light orders?

No MOQ, 1pc for sample checking is available.

Q3. Can I get a lower price for a large quantity order?

Yes, please check with our sales staff for the details.

Q4. How about the lead time of ordering?

Our standard lead time for samples is 3-5 days, and normal order lead time is 7-10 days. For the large order lead time, please also check with our sales team.

Q5. Can you provide OEM and ODM services?

we can provide OEM and ODM products, with customized label designs on the product and carton boxes. Or customized carton box, and laser print logo on the lamp fixture.

Q6. What is the payment terms of your formal order?

We accept payment via TT, Paypal, and Western Union, and we offer EXW terms.

Q7. How to deal with the defective?

All of our products are produced in strict quality control system, the defective rate is less than 0.2% according to our shipment records. We offer- 5 year warranty for this product, if there is any defect during the warranty, please provide the picture or video for the working situation of the defective lights, we will ship the new lights to you within a few days or send it together with your next order.
