

750W LED Sports Lights Sport Lamps 112500lm Stadium Floodlight For Container Port

Our Product Introduction

for more products please visit us on ushineraylight.com

Basic Information

- Place of Origin: Shenzhen
- Brand Name: UShineray
- Certification: RoHS, CE
- Model Number: YXR-QC-750W-I
- Minimum Order Quantity: 1pcs
- Payment Terms: T/T, Paypal, Western Union

Product Specification

- Input Voltage(V): AC100-277V
- Lumen: 112500lm
- Warranty: 5-years
- Working Lifetime(Hour): 50000
- Lighting Solutions Service: Lighting And Circuitry Design, DIALux Evo Layout, Auto CAD Layout, Project Installation
- Types: Stadium Floodlight
- Power: 750W
- Material: Aluminum+PC
- LED Chip: San'an/ Lumileds 5050
- LED Driver: Normal/ Moso
- Highlight: 750w led sports lights, sport lamps 112500lm, Stadium Floodlight For Container Port

Product Description

Easy Quick Setup 750W lamp sport light Stadium Floodlight for Container Port

Our 750W Lampu sport light is designed for effortless and rapid installation, making it ideal for container ports. This quick setup feature ensures that you can immediately deploy effective lighting to improve visibility and streamline port operations. It offers reliable performance and brightness tailored for busy port environments.

Product Features

Reinforced Adjustable Bracket: Features a single, adjustable module with a thickened, reinforced bracket for easy 180° movement, allowing precise light positioning.

Anti-Glare Design: Includes a blackout brim to minimize glare and control light spill, improving visual clarity and focus.

Optical Lens with Frosted Finish: Utilizes a high-transmittance optical lens with frosted treatment, providing uniform light distribution with selectable beam angles (10°, 20°, 40°, 60°).

Reliable Moso Driver: Incorporates a Moso driver that is resistant to lightning, explosions, and environmental conditions, ensuring stable, flicker-free operation and longevity.

Effective Heat Management: The three-dimensional radiator, crafted from thickened aviation aluminum, offers excellent corrosion resistance and rapid heat dissipation.

IP66 Waterproof Protection: Features high waterproof grade IP66, complete with waterproof joint connections and sealing gaskets for enhanced durability against the elements.

Product Parameters

Model	YXR-QC-750W-I
Power	750W
Other Power Options	250W 500W 1000W 1250W 1500W
Input Voltage	AC100-277V
Efficacy	150 lm/W
Lumen	115000lm
Beam Angle	10°/20°/40°/60°
LED	San'an/ Lumileds 5050
CCT	3000~6500K
CRI	≥70Ra
PF	>0.97
THD	15%<THD<20%
Weight(kg)	17.5
Sizes(mm)	630*435*240
Work Temp	35~55°C
Humidity	15%~90% RH, no condensing
IP Grade	IP66
IK Grade	IK08
Life Span	≥50,000 Hrs (LM70 @ 35°C)
Finish	Sprayed with outdoor special powder
Product Material	PC lens + Aluminum housing
Electronic Safety Grade	Class I
Power Wire	Rubber cable(3*1.5mm²) L=0.3m

Products Details

UShineray LED Stadium Lights - I Series

Product Advantages

Single modular adjustable

The whole lamp bracket is thickened and reinforced, it can be easily adjustable $\geq 180^\circ$.

With the blackout brim, anti-glare and reduce the spill light

Professional optical lens, high light transmittance, frosted treatment, uniform irradiation, various beam angle: $10^\circ/20^\circ/40^\circ/60^\circ$, accurate lighting projection.

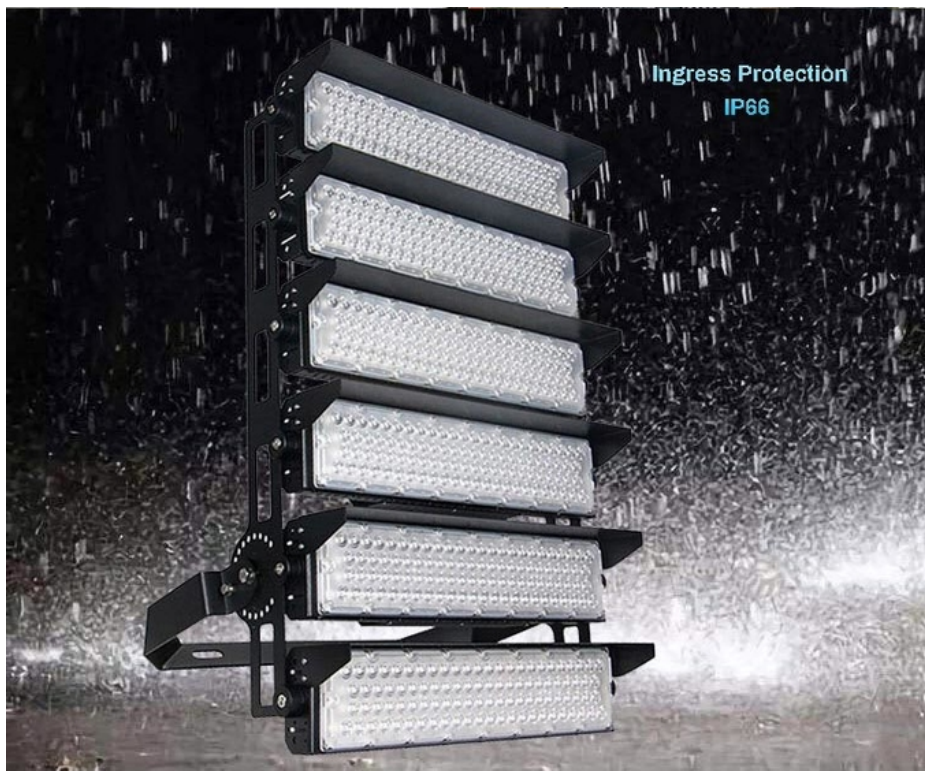

Famous brand Moso driver, lightning proof, explosion proof, waterproof and dustproof; effectively ensure the lamp LED chips continue to highlight; high stability, flicker-free.

Three-Dimensional radiator, thickened aviation aluminum, corrosion resistance, high temperature resistance, fast heat dissipation.

High waterproof grade, waterproof joint connection, safety, sealing gasket.

Applications

Racetrack

Natatorium

Ski resort

Sports stadium

Badminton court

Basketball court

Golf course

Football pitch

FAQ

Q1. Are you a manufacturer?

Yes, we have our factory with over 10 years of R&D and manufacturing experience based on ISO quality management since 2011.

Q2. Do you have any MOQ limit for LED light orders?

No MOQ, 1pc for sample checking is available.

Q3. Can I get a lower price for a large quantity of orders?

Yes, please check with our sales staff for the details.

Q4. How about the lead time of ordering?

Our standard sample lead time is 3-5 days, and normal order lead time is 7-10 days. For the large order lead time, please also check with our sales team.

Q5. Can you provide OEM and ODM services?

We can provide OEM and ODM products, with customized label designs on the product and carton box. Or customized carton box, and laser print logo on the lamp fixture.

Q6. What is the payment terms of your formal order?

We accept payment via TT, Paypal, and Western Union, and we offer EXW, FOB, CIF, and CFR terms.

Q7. How to deal with the defective?

All of our products are produced in a strict quality control system, the defective rate is less than 0.2% according to our shipment records. We offer a 3- 5 years warranty for this product, if there is any defective during the warranty, please provide

pictures or videos of the working situation of the defective lights, and we will ship the new lights to you within a few days or send it together with your next order.
