Basic Information

- Place of Origin: Shenzhen, China
- Brand Name: UShineray
- Certification: CE ROHS UL KC
- Model Number: YXR-BL-500W-A
- Minimum Order Quantity: 1 pcs
- Payment Terms: T/T, Paypal, Western Union

Product Specification

- Beam Angle(°): Omni Illumination
- Lumen: 80000lm
- Support Dimmer: Yes
- Product Name: 500W LED Balloon Light Tower
- Application: Outdoor And Indoor Parties Events Exhibitions
- Power: 500W
- Tripod Max Height: 3.8m Or Customized
- Material: Aluminum + S.steel + PC + Fabric
- Control: Switch On-off, Knob Switch For Dimming, Remote Control
- Balloon Diffuser: Yellow/Blue/Black Top-Reflective Diffuser Or All White
- Balloon Size: D900*H600 Or Customized
- Flicker: Free
- Highlight: **500W portable balloon light tower,**

Product Description

500W Inflatable Portable Balloon Light tower For Outdoor And Indoor Events Parties Exhibitions

The 500W Inflatable Portable Balloon Light Tower is a versatile lighting solution designed for both outdoor and indoor use, perfect for events, parties, exhibitions, construction sites, and emergency situations. With its high-efficiency 500W LED light source, it provides bright, energy-saving illumination, ensuring optimal visibility in any environment. The inflatable design makes it easy to transport and set up, while its durable materials ensure long-lasting performance. Ideal for large-scale events, this portable light tower offers reliable lighting for festivals, sports events, and temporary worksites, making it a must-have for any occasion requiring powerful, flexible, and efficient lighting.

Product Features

Functional filter: Keeps mosquitoes, dust, and debris out, ensuring peak performance and extended durability.

360° lighting: Delivers broad-area illumination for expansive environments

Soft lighting: Non-glare, diffused light; Lightweight and portable.

High Efficiency: $\geq 160\text{lm/W}$ with low energy consumption.

Dimmable lighting: Adjustable via adjustment knob or remote control; Includes an on-off switch.

Quick setup: Foldable tripod and cover.

Durable balloon: Waterproof, UV resistant, and fire retardant with a lifespan exceeding 50,000 hours.

Balloon material: Waterproof, translucent, anti-UV, flame-retardant outdoor gauze.

Product Parameter

Item No.	YXR-BL-500W-A
Power	500W
Input Voltage	AC90-305V
Lumen(lm)	80000
Weight(kg)	18.3
Inflated Dimension	D900*H600
Light Efficacy	$160\pm 5\%$ lm/W
CCT	5000K or 3000K
CRI	$\geq 70\text{Ra}$
LED Chips	Lumileds 2835
LED Driver	Inventronics
PF	≥ 0.95
Dimming Control Mode	Knob switch or Remote control
Remote Control Distance	60m
Life Span	≥ 50000 hrs
IP Grade	IP65
Cable Length(m)	10
Tripod Height(min-max)	1.62~3.8m
Tripod Collapsed Height	1.8m
Tripod Footprints	1.4m
Tripod Weight	14.8kg

Product Details

LED balloon light 150W-1400W for options, 360 degrees of glare-free illumination. Light efficacy up to 160lm/w, high brightness, low light consumption.

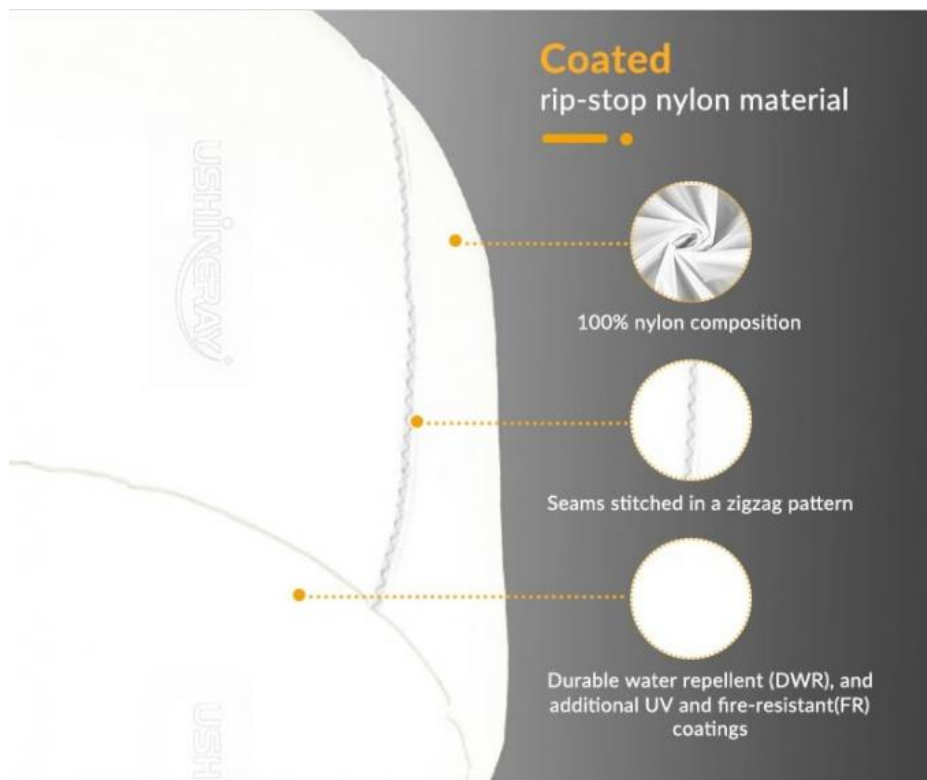

Balloon material: waterproof, sandproof, translucent, UV resistant, flame retardant.

IP65 waterproof

Balloon material: waterproof, sandproof, translucent, UV resistant, flame retardant.

Nylon material balloon diffuser

High-quality chips with exceptional brightness, minimal decay, and extended lifespan.

World famous brand Inventronics or Moso led driver
Good stability, high efficiency, flicker free, anti-surge.

Ventilation holes.

Promote efficient heat release, avoid overheating, extend durability, boost performance, and guarantee safety.

Filtration device

Prevents mosquitoes, insects, dust, and other debris from entering the lamp to ensure optimal performance and a longer lifespan.

Air-filtration

The advanced filtration system efficiently eliminates dust and insects from the surrounding environment, ensuring improved air quality. This feature enhances comfort and safety, making it perfect for a wide range of indoor and outdoor applications.

Applications

The 500W inflatable balloon light tower is an incredibly versatile lighting solution. It's not only ideal for various outdoor and indoor events. For outdoor settings, it's perfect for large - scale festivals, providing bright illumination across expansive areas. At parties, both outdoors in gardens or indoors in banquet halls, it creates a warm and inviting atmosphere. In exhibition centers, it ensures that displays are well - lit, attracting visitors' attention. Moreover, it serves crucial functions at construction sites, lighting up work areas to enhance safety and efficiency during night shifts. It's also extremely useful for road works, guiding traffic and helping workers see clearly. Even for camping enthusiasts, this light tower can be easily set up to brighten up campsites, making the camping experience more comfortable and secure.

PRODUCTION SITE

FAQ

Q1. Are you a manufacturer?

Yes, we have our factory with over 14 years of R&D and manufacturing experience based on ISO quality management since 2011.

Q2. Do you have any MOQ limit for LED light orders?

No MOQ, 1pc for sample checking is available.

Q3. Can I get a lower price for a large quantity of orders?

Yes, please check with our sales staff for the details.

Q4. How about the lead time of ordering?

Our standard sample lead time is 3-5 days, and normal order lead time is 7-10 days. For the large order lead time, please also check with our sales team.

Q5. Can you provide OEM and ODM services?

We can provide OEM and ODM products, with customized label designs on the product and carton box. Or customized carton box, and laser print logo on the lamp fixture.

Q6. What is the payment terms of your formal order?

We accept payment via TT, Paypal, and Western Union, and we offer EXW, FOB, CIF, and CFR terms.

Q7. How to deal with the defective?

All of our products are produced in a strict quality control system, the defective rate is less than 0.2% according to our shipment records. We offer a 3- 5 years warranty for this product, if there is any defective during the warranty, please provide pictures or videos of the working situation of the defective lights, and we will ship the new lights to you within a few days or send it together with your next order.
